## BLANC DE NOIRS 2018

We are the lucky stewards of three unique pinot noir producing vineyards in Summerland, BC. Each of them express very distinct terroir through the wines, despite being located mere kilometers apart.

### ELYSIA VINEYARD

Planted in 2006, this vineyard overlooks Okanagan lake to the east, primarily getting the early and mid day sun. Between the very steep slope and a mix of limestone and decomposed granite soil, this is an ideal place for vines to thrive. Here we have Pinot Noir, Viognier and Syrah. We are able to make a variety of delicious wines. With panoramic views from Peachland to Penticton it is a truly amazing place to work and live.
