

LIGHTNING ROCK

BLANC DE BLANCS 2018

We are the lucky stewards of three unique pinot noir producing vineyards in Summerland, BC. Each of them express very distinct terroir through the wines, despite being located mere kilometers apart.

CANYONVIEW VINEYARD

Planted in 2003 on the precipice of the Trout Creek Canyon, this vineyard has been immaculately cared for by Garth Purdy from day one, and he continues to do so. This south facing vineyard has sandy soil that is dotted with large granite stones, producing spectacular Pinot Noir and Chardonnay from two large terraces.

TASTING NOTES:

Our first Blanc de Blancs, and we are so excited to share what we made. Bone dry, bright and carrying a nice weight. This sparkling chardonnay has a vibrant lemon yellow colour. It presents a nose of ripe passionfruit, rocks basking in the sun post rainfall and hints to a toasty fresh baked breadiness. The powerful palette of juicy passion fruit with a frame of citrus lasts forever in your mouth.
