

LIGHTNING ROCK

PET-NAT 2019

We are the lucky stewards of three unique pinot noir producing vineyards in Summerland, BC. Each of them express very distinct terroir through the wines, despite being located mere kilometers apart.

ELYSIA VINEYARD

Planted in 2006, this vineyard overlooks Okanagan lake to the east, primarily getting the early and mid day sun. Between the very steep slope and a mix of limestone and decomposed granite soil, this is an ideal place for vines to thrive. Here we have Pinot Noir, Viognier and Syrah. We are able to make a variety of delicious wines. With panoramic views from Peachland to Penticton it is a truly amazing place to work and live.

TASTING NOTES:

A fun, natural sparkling wine. It is a fizzy, pink delight tasting of cranberries and happiness.

WINEMAKING NOTES:

Left overnight under the full moon on foot stomped skins before gently pressed the next day. Spontaneous fermentation then proceeded in a neutral puncheon and neutral barrel. It was then bottled while fermenting to complete fermentation in the bottle, thus creating a fizzy pink delight. Only 40 cases produced, it is a clear snapshot of the day the grapes were picked.

PICK DATE

September 11, 2019

BOTTLING DATE

November 11, 2019

TECHNICAL NOTES

CASES: 40

RS (G/L): 0.10

ALCOHOL (%): 10.5
