

LIGHTNING ROCK

BLANC DE NOIRS 2018

We are the lucky stewards of three unique pinot noir producing vineyards in Summerland, BC. Each of them express very distinct terroir through the wines, despite being located mere kilometers apart.

ST. KATHARINAS VINEYARD

Planted in 1968 this was one of the first vineyards planted with Pinot Noir in Summerland and the Valley. Located on a south-east facing terraced slope, this vineyard lay untended for over 7 years. Through a minimal pruning and lots of love we are bringing it back into production. This wild place only receives 2 deep watering's a year and the plants resemble small trees who have come into their own natural balance. Truly a one of a kind.

TASTING NOTES:

A pale straw colour this bubbly has a sensual straw-berries and cream aroma. The berries continue onto the palette with them some berry brambles, guava and salt. Fine bubbles, so charming.

WINEMAKING NOTES:

Gently pressed and fermented spontaneously in neutral puncheons. Tirage bottled by hand January, 2019. Finished by hand.

PICK DATE

September 5, 2018

BOTTLING DATE

January 2019

TECHNICAL NOTES

CASES: 79

RS (G/L): 0.00

ALCOHOL (%): 12.6
