Venue Policies & Requirements

1. **Deposit/Cancellation:** Lightning Rock Winery requires a 50% venue fee deposit to confirm your booking. This payment serves to hold the venue for the specific date of the wedding and secure it as a private space. The remaining invoice and fees must be paid 48 hours prior to the day of the event. Should you need to cancel your booking, all deposits will be refundable up to 1 month prior to the event date. Deposits are non-refundable after this time. All cancellations must be made in writing.
2. **Damage Deposit:** A refundable damage deposit will be collected the day prior to the event. The damage deposit amount is \$1500.00 and will be processed against the credit card on file. The deposit will be refunded within two days after the event so long as no damages have occurred to the property or equipment. A property damage checklist will be provided post event in order to have a walk-through inspection at the conclusion of the event. If damages have been done to the facility during the Wedding or Reception, the Wedding Party will be responsible for all damage fees. If damage has occurred, an estimate of costs for repair will be determined and the wedding party will be contacted, and the credit card will be charged the amount of the cost estimate.
3. **Rentals:** All décor, linen, glassware (excluding tasting room glassware provided), cutlery, chairs, and tableware must be rented and are in addition to the quoted venue cost. All rentals are to be arranged to be picked up from the site the next business day unless otherwise arranged.
4. **Weather:** Lightning Rock winery is an outdoor venue. Weddings are held rain or shine. Additional tents are available through third party vendors and arrangements must be made ahead of time.
5. **Décor:** All decorations must be removed at the end of the event and/or before our tasting room opens at 10am the following day. Failure to do so may result in additional charges. As a certified organic farm, no nonbiodegradable flower petals or artificial confetti may be used. Real flower petals are permitted.
6. **Food & Beverage:** All wine served at the wedding must be purchased from Lightning Rock Winery. All vendors, catering and contractors need to be approved by Lightning Rock Winery prior to signing the event agreement. Your catering company and event coordinator are responsible for the setup, takedown and cleaning up of the event. All waste and recycling must be disposed of in the designated areas at the end of the event.
7. **Timing:** Music and entertainment must conclude by 12:00 am. Alcohol service/last call is 30 minutes prior to the end of the event.
8. **Parking:** Lightning Rock Winery has limited parking space. For private functions, we strongly suggest group transportation. We currently have space for 8-10 vehicles.

All quoted prices are subject to applicable Provincial and Federal Taxes.
